

OPERATION CHRISTMAS CHILD

I want to thank all those who have donated to our January and February collection to help in kicking off 2023 Operation Christmas Child. Like last month I wish to remind each and every one to continue to collect straws with paper covers, plastic ware, reusable containers with lids (ex: crystal light tubes).

-Linda Waldron

For the month of March we will be collecting:

Hair scrunch's, games (tic tac toe in a bag), knit hats, Dress (made from shirts), tote bag's, friendship bracelets, sewing kits and small pieces of fabric , hand puppets (made out of socks). Now if you wish to purchase any of these items that's fine, however if you and your friends are crafty you could make these as group. Let's get creative.
